

WHO IS IOWA HIMSS?

Healthcare Information and Management Systems Society (HIMSS) is a non-profit, global organization dedicated to the advancement of health care through information technology. Join us in Iowa to lead efforts to optimize health engagements and care outcomes. Our HIMSS Iowa Chapter offers events full of speakers, presentations, and various educational activities. We also value our numerous volunteers who share ideas and leadership, and join in on our outstanding professional development, networking, and active engagement opportunities.

WHY SPONSOR?

A sponsorship of an HIMSS Educational Conference will allow you to network and present to some of the brightest healthcare leaders in the Iowa area. Iowa HIMSS has a strong database of members that continually return to our events to learn from healthcare industry professionals while satisfying the re-requirements of continuing education. Attendees are able to network with peers, speakers and sponsors and enjoy a day (or more) of leadership, discussions and feedback. You will have direct access to the attendees and will have the opportunity to develop lasting relationships.
