WELCOME

On behalf of our HIMSS Iowa Chapter Board, welcome to our annual conference! It's a pleasure to have you here for this two-day celebration, and as we embrace the spirit of Oktoberfest, let's raise our steins to the incredible work we do together in health information technology.

This year, our theme reminds us of the importance of community, collaboration, and celebration. Just as Oktoberfest brings people together to share in joy and tradition, so too does HIMSS aim to unite us in our mission to improve healthcare through innovative IT solutions. Our chapter, blended with other regional chapters, is vital in shaping the future of healthcare delivery, ensuring that patients remain at the forefront of our efforts.

As we gather to learn, connect, and share ideas, I encourage each of you to engage in conversations that inspire growth and innovation. Your experiences and insights are invaluable, and we genuinely want to hear from you. What do you need from your HIMSS Chapter? How can we better support you in your roles? Your feedback is essential in guiding our initiatives and ensuring that we meet your expectations.

Let's make the most of this wonderful opportunity to network, collaborate, and enjoy the festivities of Oktoberfest. Together, we can foster an environment where health IT thrives, and where we continue to make a meaningful impact on the lives we serve.

Thank you for being a part of our HIMSS community. Here's to a fantastic conference filled with learning, connections, and joy!

Prost!

Carrie Main
President, HIMSS Iowa Chapter
